

900 Point 22 Cal Fall Pistol League at SPAA Range:
Ken Marquess

In case the rumor mill is broken down:

Sgt. Hendrix caught me in a weak moment :-) and got me to agree to run a fall league, 4 weeks, 17 Sep, 24 Sep, 1 Oct, 8 Oct. If the classroom is open I'll offer to do a new shooter class on Sun 12 Sep???

If anyone sees a problem, sing out. I haven't emailed the world, but should soon.

It's too late to get it sanctioned, I think. I'm planning on charging \$15 bucks to cover the targets I ordered (we needed timed/rapid repair centers), use any extra for door prizes, but not do cash awards.

Tom can you also put on the web site that we are having a short (4 weeks) Fall Bullseye 900 (22lr) league on Thursday evenings. There will be **two lines with the first run at 5:00 PM and the second at 6:00 PM.** The dates for the shoot are Sept 17, 24 and Oct 1, 8. The cost for the shoot has not been determined yet. Ken Marquess will be sending out some literature on the 900 league soon. I will post a notice on the bulletin board and the reader board in front of the office. Thank you.
