I just wanted to thank everyone who supported our matches this year. It seems like the year flew by and we just completed our last match of the year. We will start again in April but don't forget about the upcoming matches in Seattle on Nov 15 (in conjunction with the annual meeting) and Dec 6th. On a personal note: Congratulations to Dan Russie on his match winning score of 478 in the Off-Duty match. Dan, you just proved to yourself that all you need to do is cut 4" off the match guns.

Some of you may have noticed that I forgot to send out the awards and match bulletin for the September match. So if you have awards coming from last match, I combined them with your awards for this match.
