Membership News

Dan Russie
WSPPA Secretary

News highlights from the November Annual Membership Meeting. Election of officers was held and the new officers are:

Daryl Cross – President
Charlie Kissler – Vice-President
John Guich – Treasurer
Dan Russie – Secretary

Chip Payne reported that the Snohomish County Sheriff Office indoor range should be ready for use sometime between February and April 2008. The range will have eight 50 yard lanes.

Tom Persell said that the Marysville Rifle and Pistol Club (MRPC) will be voting to allow PPC shooting at their club. If PPC shooting is allowed, there might be room for nine 50-yard PPC lanes. It will take some hard work and up to 1 ½ years to get the lanes up and running for PPC matches. Congratulations to Mike Haakensen who is now the President of the MRPC.

Congratulations to Steve Almon the Chief of Oak Harbor P.D, he has retired. He has moved back to Oklahoma to be the 2-1-1 Director for nine counties in the Oklahoma City area. We will miss seeing him on the firing line. Steve Good Luck in your retirement.

Remember the Deadline!

You must be a paid member by the last match in May to be eligible for the 2008 Governor's 20 Program. Please make the checks for the membership dues out to WSPPA.

WSPPA FUND-RAISING EFFORT

It came to me the other day during an infrequent period of sanity that I like most shooters have a quantity of expended firearms brass of various calibers and conditions stored in every type of container known to man. If we put all of that brass together and take it down to a recycler, at the price of scrap brass today, we will be able to make a sizeable deposit into the Association coffers.

One of the problems I have found is getting enough brass together to make a trip to the recyclers worth it. There is also the need for sorting, inspecting for live rounds and cleaning as necessary. That being so, I will have available at each match a bucket for anyone to deposit their brass that they have gathered up, be it from that match or from other sources. Other types of copper and brass can also be included like valves, plumbing items and such. If you don't want to take a part anything, I'll take care of it.

So take a few minuets to search under your benches, in your closets, trunks, bags, suitcases and under your bed and bring that old unwanted brass to a match and I'll turn it into cash for the Association. If there is anyone whom can do the same on the east side and get it to me I will see that as a good thing.
