

## Membership Application Process for the Seattle Police Athletic Association

Membership applications can either be obtained on-line from our website at SPAARange.Com, or in hard copy form in the store.

Once the application is filled out, you must submit the completed form in person, to the SPAA Range office. It should be noted, that the Background Release Form portion of the application must be notarized.

Upon your arrival to the SPAA Office, you will be asked to produce your official ID, usually a driver's license.

Upon submittal of the application, payment will be made for membership dues as well as the non-refundable \$50.00 Initiation Fee, plus tax. This will start your membership process.

Once the SPAA Board has approved you as a member, you will be notified of your next step, which is to attend the required orientation class. Please ensure that your contact information is current and legible. The SPAA Staff will be providing two orientation classes per month. Orientation class dates may be obtained through the SPAA Office.

After attending the orientation class, you will be considered to be an active member at our facility.

Thank-You
