On 1/12/08 the usual suspects + a few others gathered in Seattle for the first match of 2008. The weather was predicted to be very rainy in fact we drove down in heavy rain. It was misty for Match 1 and we got a little rain for the Duty Gun but other than that it was not bad. Because of the predicted bad weather, low turn out and the Seahawk Play Off Game we did not shoot either the warm up (snub nose) or the Semi- Auto.

Congratulations to Pat Pronovost on being Match Winner.

Welcome back to Richard Pruitt of Seattle PD. Rich was on the Seattle Team years ago but had to stop when the match schedule conflicted with his work schedule. He is now a range instructor so he was able to make a come back.

In case any one missed it John Guich recently captured a burglar. John placed his Travel Trailer in storage and discovered that some one had been make unauthorized entry into his home away from home and trashing it. John began making extra patrols of his trailer, which paid off with a capture. John's only regret was not having his handcuffs. Way to go JOHN.

The next shoot will be Feb 9 SCSO in Seattle followed by March 15 EPOA at Seattle.

I can not think of any more filler.

BE SAFE
