

# Electric Trap Shotgun Range Rules

## EYE AND EAR PROTECTION MANDATORY

1. All shooting will be done from the **Three Designated Shooting Stations Only** on the electric trap range **NO EXCEPTIONS**
2. No shot larger than # **8**, Low base target loads only (NO HUNTING LOADS)
3. Keep action of gun open except when it is your turn to fire.
4. Never load a shell into any part of your gun until you are on your post or station on firing line.
5. Never load more than **2 shells** at any time.
6. Always keep your gun pointed down range in a safe direction.
7. Do not move from post to post or station to station with a shell in any part of your gun.
8. In the event of a misfire or weak report always check your barrel for obstructions.
9. Be observant of others on Archery Range and Manual Throwers.
10. You are expected to clean up the area when finished.
11. If you are UNDER THE INFLUENCE of alcohol, drugs, or medications you are not allowed on the range.
12. No Alcoholic beverages on the range.
13. If you are unsure about violating a range rule, ASK BEFORE YOU ACT.
14. **NO ONE ALLOWED IN FRONT OF TRAP HOUSE OR IN DROP FIELD.**
15. Use of **Biodegradable Birds Purchased at Office** will only be used on range.

Each member, guest, competitor, and law enforcement officer is responsible for reading all posted signs and obeying all range rules. If you observe any violation of the rules please bring the violation to the attention of the violator or the range staff immediately. Range safety is everyone's concern.

On behalf of the SPAA and all the membership that make this shooting facility possible, the range staff thank-you for your cooperation.
